

Grandvaux highlights

Grandvaux is an amazing plateau, in the heart of Haut Jura natural park, at an altitude of 950 m. Forests, turquoise lakes and pastures lay upon a vast and smooth territory. Walking, riding or cycling, you will appreciate the rich variety of fauna and flora. Grandvaux is an ideal place for discovering nature, enjoying sceneries, or just relaxing with friends or families. In winter, go skiing, snowshoeing or let you ride by sleigh dogs. In summer, hike, climb, cycle and visit crafts workshops and different museums. Taste our local cheese and wines to have a perfect stay.
