

Ligne des Hirondelles - Haut Jura

The "dove line" is a 123-km railway line going from Dole in the north to Saint-Claude in the south. We invite you to hop on the train to discover amazing points of views from the large windows.

Head from Saint Laurent en Grandvaux to Saint-Claude, via Morez and its viaducs, and then along the river Bienne valley.

Very nice 38-km trip amongst the landscapes of Haut Jura natural park.
