LA TAILLERIE

La Taillerie invites you to discover the fascinating world of fine and precious gemstones.

A lapidary and a gemstones specialist present their natural gemstones collection. In the store which is open all year long, they will give you good advice to choose a gemstone, a ring, a pendant, or even the creation of a unique jewel. You will also find necklaces and small pearl jewels: red stone, mother of pearl... as long as minerals and decorative objects.

Open all year long, from Tuesday to Saturday, from 2.00pm to 6.00pm. Groups on reservation.

Free entrance for everyone.

To see and to know: temporary exhibitions to be discovered regularly.
