

Horn-turning Museum

LAVANS LES SAINT CLAUDE
at 28 km From Saint-Laurent en Grandvaux

Horn-turning Museum

You will see 1,500 different tools, a 12th-century lathe and the use of various materials (box, bone, corozo).
You can also watch how horn, a tough material, is turned into sculptures or shiny round, oval or twisted beads.
Decorative or practical items, lamps and more on sale at the museum.
